

HOW TO GET INVOLVED

1. Franciscan Action Network - <https://franciscanaction.org/>
A logical place to start.
2. Catholic Climate Covenant - <http://www.catholicclimatecovenant.org/>
Provides some specific advocacy ideas. Offers the “St. Francis Pledge” –
PRAY → LEARN → ASSESS → ACT → ADVOCATE
3. GreenFaith - <http://www.greenfaith.org/>
A forum for interfaith cooperation. St. Mary’s Pompton Lakes had been involved.
4. Interfaith Power and Light - <http://www.interfaithpowerandlight.org/>
Another interfaith group, focused on action and advocacy.
5. Sierra Club - <http://www.sierraclub.org/>
Probably the most recognized US name in this field.
6. The Climate Reality Project – www.climateRealityproject.org
Climate ReALity, as in Al Gore. And me. You can call me and Al.
7. 350.org – www.350.org
Very strongly issue oriented, very active. A thought leader.
8. Greenpeace -- <http://www.greenpeace.org/>
Probably the most known globally. Very activist – civil disobedience. Not to be confused with GreenFaith.
9. Environmental Defense Fund – www.edf.org
Global mindset, global agenda.
10. Environmental Protection Agency – www.epa.gov/climatechange
Not really a way to get involved, but a good source of information.
